

## How to make a snowman

<p>Collect your resources</p> 	<p>Fold it in half, short side to short side, then half again, then half again so it is split into 8. Cut the 8 strips.</p> 	<p>Take 1 strip and make a circle and glue together.</p>  	<p>Take 2<sup>nd</sup> strip and thread through the first circle and then glue it together. Repeat this for all of the strips so you have a white paper chain.</p>  	<p>Stick on two googly eyes.</p> 
<p>Draw an orange carrot nose.</p> 	<p>Cut two hands out of the brown card and stick to the 3<sup>rd</sup> strip down.</p>  	<p>Tear small pieces of black tissue paper and screw into ball. Make three of these for the snowman's buttons.</p>  	<p>Make a further 5 little balls of black tissue paper and stick to make a smile.</p> 	<p>Draw a hat onto the black card and cut and stick it to the top of the snowman.</p> 

## How to make an elf

<p>Collect your resources</p> 	<p>Fold your green card in half, short side to short side and cut along the fold.</p> 	<p>With one of the pieces of green card, fold it in half and then half, long side to long side, again. Open it back out and cut the 4 strips out.</p> 	<p>Fold each strip backwards and forwards like a concertina.</p> 	<p>With the other half of card, draw and cut out a large circle for the elf's tummy.</p> 
<p>Glue the folded arms and legs to the tummy from the back.</p> 	<p>With the glitter card, draw 2 gloved hands, 2 elves shoe, a triangle for a hat and a spikey collar for your tummy. Cut these out.</p> 	<p>Stick the gloves, shoes and collar to the elf's tummy.</p> 	<p>Cut out your face and stick it to the elf's tummy.</p> 	<p>Stick the glitter hat to your face and use cotton wool to decorate the top and bottom of the hat.</p> 

## How to make a Christmas Tree

<p>Collect your resources</p> 	<p>Fold the green paper in half, long side to long side.</p> 	<p>Draw around each circle template so you have a large one, medium one and small one. Cut them out so you have 6 altogether.</p> 	<p>Fold each circle in half.</p> 	<p>Choose the two smallest circles and put glue on the inside of the corners and then put the corner of the other circle inside of it so it makes this shape.</p>  
<p>Repeat for the medium circles and the larger circles</p> 	<p>Glue the top of the medium circles and slot inside the smaller circles. Glue the top of the larger circles and slot inside the medium circles.</p>  	<p>Glue the lollipop stick in the centre of the tree you have created.</p> 	<p>Draw a star on the glitter card and cut it out. Stick on your star to the top of the tree.</p>  	<p>Use the pens to decorate your tree with baubles and tinsel.</p> 

## How to make a wreath

<p>Collect your resources</p> 	<p>Fold the paper in half, long side to long side.</p> 	<p>With a ruler draw a line 1cm from the edge.</p>  	<p>With the ruler now mark out 2cm intervals all along the drawn line. Draw lines from the 2cm mark to the other edge.</p>  	<p>Cut along each line from the folded edge up the line you drew at the bottom. Do not cut all the way to the end as it will cut off.</p>  
<p>Open up your piece of paper and glue along the top long edge.</p>  	<p>Roll the paper and glue both long edges together so it makes a cylinder shape.</p> 	<p>Now cut one strip off of one end to leave a tab. Glue the tab and join each end of the cylinder shape together to make a circle.</p>  	<p>Using the red paper, draw a bow and cut it out. Draw 8 little circles and cut them out.</p> 	<p>Stick the bow and 8 little circles around the wreath to decorate it.</p>
