PUPIL SENATE STEPS INTO WESTMINSTER

Our Trust Pupil Senate visited the Houses of Parliament on Wednesday 30th April. It was a wonderful day filled with learning and memorable experiences.

During their visit the children enjoyed a guided tour of the grounds, where they learned about the rich history and important functions of this iconic building. One of the highlights of the trip was the opportunity to watch the Speaker's procession, with the Speaker even giving our pupils a friendly wave. Additionally, they had the chance to meet Mark Francois, who took the time to talk to our children about his role as an MP and the importance of civic engagement. I must commend the children on their exemplary behaviour throughout the day. They represented our Trust with pride and showed great respect, which made the experience all the more special.

BLOG

Last week we published a Parent Perspective article to our blog, we hope you take the time to read it as it is an interesting read for all:

[Reflecting on childhood, freedom and the new dangers our kids face](#)

CEO REFLECTIONS

This month we have learnt about Corazon Aquino, Simone De Beauvoir & Dolly Parton. Dr. Faris (or a member of our team) reads a book from a series of books called "Little People, Big Dreams" to teach the children about the great things that people do that demonstrates the rights of a child. It's also a great way for adults to learn more than just their story of being famous so we encourage you to take a look. Recordings of our readings can be found [here](#)

PARENT WORKSHOP

We are looking to host a workshop for Parents & Guardians covering online safety around mobile phones and social media, which will include a presentation from an external speaker however we need to know whether this is something that would be well attended.

Parent & Guardian Workshop

ADMIN

Final call for you to vote regarding the half term consultation as this will close as of Friday 13th June.

We will publish the results and term dates on our website w/c 16th June as we appreciate that you need this to make future plans.

[Complete the form online here](#)

If you would like to submit ideas or be part of our blog and write a Parent perspective article then please reach out to us via email: info@schoolsforeverychild.org

A message from Dr. Faris

This half term, we have had a lot of running around and hard work going on in our schools; from trips to parliament, car washes and SATS, it's been a fast-moving term!

I am in the process of planning next year's CEO assemblies, where we share different people who have displayed unicef rights. If you have any ideas for good people we can talk about, please let us know.

I am delighted that we have a blog from a parent on our website, and welcome topic ideas from parents and families in the future.

I hope you have a nice half term planned;-the consultation on the half term dates form 2026 is still open, please give us your opinions.
