WATERCOLOUR WONDERS

Pupils in Yr 5 and Yr 6 at Wyburns Primary created some amazing watercolour artwork for their class art gallery. It was something the children wanted to do as a pro social reward

PUPIL SENATE 2025

We held interviews for Yr. 4 children across the Trust who applied to be Pupil Senators for next year. The children completed a range of activities which included being interviewed by our Trustees to tell them all about why they would make a good senator. All of the children did an amazing job and we are pleased to announce our Senate for 2025-2026:

- Wyburns- Michaela, Ava, Niva, Thea
- Rayleigh- Lee, Zaynab, Elizabeth, Blake
- North Crescent- Billy John, Aria, Eleanor, Henry

If you would like to submit ideas or be part of our blog and write a Parent perspective article then please reach out to us via email: info@schoolsforeverychild.org

CEO REFLECTIONS

This month we have learnt about Sally Ride, Helen Keller & Princess Diana. Dr. Faris (or a member of our team) reads a book from a series of books called "Little People, Big Dreams" to teach the children about the great things that people do that demonstrates the rights of a child. It's also a great way for adults to learn more than just their story of being famous so we encourage you to take a look. Recordings of our readings can be found [here](#)

TOY DONATIONS

Thank you to both Rayleigh Primary & North Crescent Primary for their generous donations which went to children at Havens Hospice & Basildon Hospital

TERM DATES CONSULTATION

The results of the Term date survey are in. We had over 222 votes cast, and within that, over 400 pupils were represented (due to some parents' votes counting for multiple of their children).

The results are that 83% voted for us to have 1 week off in the October period and 2 weeks off in May/June.

We will now take these results to the Trustees for ratification.

Remember that term date information can be found on the [Trust website](#), along with other useful links and information about our Trust.

Thank you to those that have registered their interest for our Parent Workshop, if you would like to attend then please let us know as we are booking an external provider and need to confirm whether it will be well attended

A message from Dr. Faris

This half term, the pupils have been working hard on assessments, ranging from 2-year-old checks in our nursery classes to year 6 SATs (and a whole host of different things in between). It has been so wonderful to see the focus and resilience the pupils have shown when racing through these rites of passage, but equally, how they are aware that these moments do not define them and are just a small part of the overall school journey. I am proud to work in an organisation that prioritises the development of pupils' moral character (being a pioneer, altruistic and ethical) while preparing them for the world that awaits.
