SUPPORTING OUR CHILDREN TOGETHER: HOW YOU CAN HELP

Dear Parents, Carers, Mums & Dads

Schools for Every Child is a non for profit collective and our mission is clear: to ensure that every child, regardless of background or need, has the opportunity to be prepared for the world that awaits.

We are committed to providing an exceptional education alongside the vital support our pupils need to succeed, both in and out of the classroom.

The Challenge We Face

While core school funding is meant to cover the very very basics, we strive to go above and beyond to meet the growing needs of our children, whether through mental health support, enhanced SEND provision, or inspiring opportunities that promote pioneering spirit, ethical conduct and altruism. These extras are a real stretch for our budgets, which is why we rely on raising additional income, grants, and generosity to make them possible.

How We're Supporting Your Children

Mental & Physical Health Support:

With NHS and CAMHS waiting times at crisis levels, we're funding in-school counselling and wellbeing programmes.

Enhanced SEND Provisions / bases:

Ensuring every child gets the support they deserve—whether through specialist staff, resources, or training for teachers—so all pupils, with or without SEND, benefit.

Cross-Trust Initiatives: Programmes like Pupil Senate, Careers Days, and "CEO for the Day" foster leadership, teamwork, and British values, preparing pupils for life beyond school.

Pro-Social Rewards: Recognising and celebrating positive behaviour with meaningful rewards that reinforce kindness, effort, and community spirit. Unlike traditional rewards, they focus on building character and community rather than personal material reward.

How You Can Help

We cannot do this alone. If you're able, please consider supporting us in one of the following ways:

1. A One-Off or Regular Donation: Every contribution, no matter the size, helps us sustain these vital extras.

Account Name: Schools for Every Child

Sort Code: 30-96-94 Account number: 30182060

2. Donating Items from Our Amazon Wishlist: Practical resources directly benefit our children. Each school has created their own list which are all linked below.

3. Connecting Us with Businesses: Do you or someone you know own a company that could sponsor a programme or donate services?

Rest assured, all donations are 100% ring-fenced for:

- Pupil mental & physical health support
- SEND provision
- Cross-Trust pupil initiatives (e.g., Pupil Senate, careers programmes)
- Pro-social rewards

By working together, we can give our children the tools, care, and opportunities they need to flourish, beyond what core funding alone can provide. If you'd like to contribute or learn more, please contact us via info@schoolsforeverychild.org.

If you'd like to discuss how a donation / business sponsorship could support a specific area or hear more about our plans, we'd be delighted to speak with you

We completely understand that not everyone is in a position to donate, and if that's the case, we're just as grateful for your support in spirit, whether by encouraging your child, engaging with school life, or simply sharing our vision for their future.

Thank you for your continued support and belief in our shared vision.
