## New to headship series

For new and aspiring headteachers, these online courses will equip you with the tools you'll need for confidence as a new school leader, or someone hoping to take the next step.

● **Starts** Multiple dates - Spring 2026

2 virtual classes

### Budget mastery for finance first-timers

Hosted by:  

This course isn't 'finance in theory' – it's a **hands-on masterclass, using real 'warts and all' school budgets** to practise handling scenarios you can really relate to. For those **new to headship** who never expected 'finance' to be so much of the job.

## What sets our live CPD courses apart:

### ✓ Led by real school leaders

Sharing their deep subject-matter expertise, so you know you're learning **approaches that work** from those who have been there and done it.

### ✓ Live, interactive virtual classes

Rich with **peer collaboration**, polls, small-group discussion and whole-class feedback, for a deeper level

### I found the course enlightening...

All the information we received was accurate, punctual and delivered with ease so that everyone on the course could fully appreciate and understand. I **really enjoyed it** and have been **highly promoting back at my setting**.

Live classes participant

It's not often that an online course is **informative, interesting, engaging** and presented brilliantly. I **absolutely recommend this** to new and aspiring Deputy Heads.

of learning.

✔ Practice tasks

So you **apply your learning** after every class, and truly embed that knowledge to make an impact straight away.

Live classes participant

**Hearing from experts** who’ve done the job and can provide real, successful examples **was invaluable** - thank you so much! I’m **feeling very reassured** now!
